JOSHUA ROLLAN AALA

Multimedia designer & Developer

Profile

Creative Multimedia Designer with three years of experience in motion graphics, UX/UI design, and video production. Proficient in Adobe Creative Suite, Figma, and front-end development tools. Passionate about crafting engaging digital experiences through storytelling, branding, and interactivity.

Projects

UX/UI design / 2021-2024

- Redesigned apps to improve usability. Assisted in developing wireframes, mock-ups, and prototypes for web and mobile applications.
- Conducted usability testing and gathered user feedback to iterate and improve designs. Collaborated with cross-functional teams to ensure the implementation of user-centered designs.
- Developed strong communication and problem-solving skills while addressing customer inquiries and concerns.

Branded Motion Graphics Ad Campaign / 2021-2024

- Understanding of brand identity and the ability to integrate it seamlessly into motion graphics campaigns. Contributed to social media campaigns by creating engaging graphics and animations.
- Assisted in the development of promotional materials, ensuring alignment with brand guidelines.
- Crafted a dynamic motion graphics piece for a movie poster, bringing static key art to life through engaging animation.

Video Production / 2021-2024

- Utilized various video production equipment and software such as cameras, lighting, audio recorders, Adobe Premiere Pro, and Audition and After Effects.
- Video Recorded and edited high-quality videos that met the client's needs and exceeded their expectations.
